

MEET MXT. THE NEXT GENERATION OF PREMIUM HYDRAULICS.

DRIVEN BY POSSIBILITY™

OPERATIONS DEMAND EFFICIENCY

Faster routings, lower material handling costs, and reduced hose lengths – all from MXT.

LIGHTER WEIGHT AND MORE FLEXIBLE

Materials and Process Expertise deliver a lighter and more flexible product.

SIMPLIFIES AND EXCEEDS SPECS

MXT not only meets but exceeds multiple industry specifications with one hose.

IMPROVE INVENTORY COSTS

Consolidate inventory, save floor space, and simplify hose selection with a multi-purpose hydraulic hose.

**20 → 6
HOSES**

PERFORMANCE WINS

Lighter weight means improved equipment performance and fuel efficiency.

YOUR PEOPLE MATTER

More ergonomic installation and easier lifting for the people you rely on to make business happen.
