**THE NEW, FREE APP FOR MOBILE PHONES AND TABLETS MAKES THE GATES AUTOMOTIVE CATALOGUE EVEN MORE ACCESSIBLE BY PROVIDING USERS QUICK ACCESS TO ONE OF THE AUTOMOTIVE AFTERMARKET'S MOST COMPREHENSIVE PRODUCT RANGES. NOW AVAILABLE FOR DOWNLOAD, THE GATES AUTOMOTIVE CATALOGUE APP ADAPTS THE FLEXIBILITY PROVIDED BY SMARTPHONE AND TABLET OPERATING SYSTEMS TO CREATE A SIMPLE, FAST AND FLEXIBLE TOOL. OFFERING AN IMPROVED USER EXPERIENCE, THE GATES AUTOMOTIVE CATALOGUE APP DELIVERS ENHANCED FEATURES AND SERVICE LEVELS NOT AVAILABLE VIA DESKTOP OR MOBILE BROWSERS, INCLUDING:**

- A Barcode and QR code Scanner: By scanning the barcode or the QR code on Gates' product boxes, users have instant access to part images, application data, Tech Tips and Technical Bulletins, providing numerous time-saving benefits for installers and distributors

- Additional Search Functionality: Users can search belt, pulley and hose sizes and characteristics, no matter the application

- Select and Compare Tool: Users now have the ability to list and compare similar products and kits side-by-side to make more informed selections

- Automatic Search Log History: The app automatically saves recent search history, allowing users quick and easy access to data and reminders for their most popular models

- Users can download the **Gates Automotive Catalogue** app in the iOS App Store or Google Play Store for free or scan this QR-code for easy access to the download
